How else can we put faith in action this summer?

Volunteer with RECLAIM OUR VOTE to phone bank or write postcards to infrequent Black voters in voter suppression states.

How do we sign up?

## Reclaim Our Vote Impact

*Our messaging is effective and inclusive.* We work with local, people of color led organizations in our target communities to develop our messaging strategy.

*We empower infrequent voters.* By contacting infrequent voters who are overlooked by political campaigns, we offer a bridge from non-voter to empowered voter.

*Our efforts increase voter turnout.* In 2021, talking to Black voters over the phone increased turnout by 17.3% and writing post cards increased Black voter turnout by 3%.
